## COMPANY SERVICES

Lambodra is one of the best IT Company in Ghana, providing all standard IT Services which every small or large business need to survive in the global market. Below is the list of our services:

### IT Services

Drawing on our nearly 10 years of experience, around the world trust us to manage more than 1,000 domains & websites, over 5,000 e-mailboxes.

### Trading Services

Since 2007, the company has been successfully operating and satisfactorily serving the both Indian as well as overseas clients.

### Consulting Services

Consulting Services Consulting is the key of any successful ERP implementation, being a 16+ year old organization, Lambodra has great ability of business process consulting

### Printer Repairing

We at Lambodra have the right man at the rightcost to cater to all your needs for printer repairs in Accra.

### GPS Services

Lambodra provides real time fleet tracking and fleet management solutions to existing business problems.

### CCTV

Lambodra world's best technicians to provide you best and affordable cctv installation services.

### PX-VOIP Solution

We at Lambodra have started additional services in Lambodra Group for our customers, called PX-VOIP Solution's

### Software Licencing

We at Lambodra providing licencing to all major Microsoft softwares.

## GPS SERVICES

Lambodra provides real time GPS tracking services, and fleet management solutions to existing business problems. Using GPS technology with cellular/satellite networks it is the most effective way to have full control over your assets at your fingertips.

### Live Tracking

Track your investment anytime, anywhere! This feature gives you the ability to accurately check your asset's live status with an exact location and vehicle activity.

### Geo Fencing

This gives an operator the ability to create a map boundary. This will enable the operator to receive a notification every time a set boundary has been crossed.

### Route Navigation

Enter in a location and let our navigation feature take you to your destination. We provide a simple to use, user friendly interface with advanced mapping technology.

### Notification Alerts

Application alerts play a major role towards contributing to an effortless client experience, you have the ability you select what notifications you would like to receive on your vehicle's status.

### History Playback

The ability to reflect on the past in order to create a more effective strategy for the future is a major factor to any business or individual in maximizing productivity.

### Reports

This feature provides you with a detailed account of your asset based on a time frame of your choice; you can monitor the status of your vehicle all the time.

# DOMAIN REGISTRATION, WEB DESIGNING & DEVELOPMENT

We are providing all standard domain registration, web designing and development services.

## Internet Services Providers

Providing best Internet services in Ghana at very affordable rates.

## Software Development

We have a team of Expert software engineers to satisfy our clients technical needs.

## Customize Software Portals

Our main software service customize software portals which are user friendly and easy to manage.

## Printing Material

Providing best quality printing material like A4 papers, toners etc.

## Web Applications

We have specialist of software field which are committed to design and develop best web application according to any business needs.

## CCTV / Access Control / Biometric's TV

We are committed to provide the best security equipments to our clients with the security package, includes CCTV, biometric devices with access control accessories.

## Annual Maintenance

With the web development services we are also providing maintenance services.

## ERP & SAP Solutions

We at Lambodra providing best quality ERP and SAP services.

## PRODUCT CATEGORIES

From computer accessories and peripherals to office automation, over time, Lambodra product range has grown to include:

- Laser Toners
- Cables
- POE Switch
- CCTV Cameras
- Cash-Counting Machines
- Android Box 4GB/64GB
- Biometric Machine with access Control accessories
- Bill Counting Machine
- LCD-65 inches Android
- IT Peripherals - Doc file Shared English

➤ LCD

**Model No: TPG K-LPA12V/5A**  
 Features: Power Adapter 12V/5A

**Model No: TPG CAT6 SFTP Outdoor**  
 Features:  
 • CAT6 SFTP OUTDOOR CCA  
 • 0.50mm 305m/box

**Model No: TPG K-PA5V/1A/ K-PA5V/2A**  
 Features: Power Adapter 5V/2A

**Model No: TPG K-DC5521M**  
 Features: Wiring connector

**Model No: TPG H96 MAX V11**  
 Features:  
 • Android TV Box,                   • ONE APK  
 • RK3188                               • Pcs/Box: 20  
 • 4GB RAM+64GB ROM  
 • 2.4G/5G WIFI,  
 • Android 11.0  
 • EU POWER ADAPTER-PREINSTALL

**Model No: TOP CONFIGURATION 65INCH ANDROID TV**  
 Features:  
 • ANDROID 11.0 T2/S2+Smart (1.5G+8G)  
 • DLCD SCREEN  
 • Pcs/Box : 20

## ➤ BILL COUNTING MACHINES

**Model No: TPG 5800D**

**Features:**

- 5800D LCD DISPLAY,
- Support currency: british/pound/ euro/yen/Thai/Korean won/Canadian dollar/US dollar/ruble/Taiwan dollar/ Australian dollar/HK dollar etc
- Banknote capacity:1-200
- Sheets Detection method:UV,Magnetic
- Power supply:110V/220V
- PCS/Box: 2

**Model No: TPG AL920**

**Features:**

- AL920 Mix value counting of multi currency
- Auto currency identification
- Counterfeit Detection: Image, Magnetic, Infrared, Ultraviolet
- Error Detection: Double Note Detection, Half Note Detection, Chain Note DetectionSerial numbers reading
- Available currencies select: USD, EUR, GBP, RUB, CHF, MOP, THB, CAD, HKD, JPY, KRW, THB, SGD.... up to 60
- Options: Customer Display / Thermal Printer / PC connection
- Interface: RS-232, USB
- Multi language interface
- Touch panel and big size TFT display
- PCS/Box: 2

# BIOMETRIX MACHINE WITH ACCESS CONTROL ACCESSORIES

**Model No: TPG K-K2**

**Features:**

- Supply voltage: 12VDC or 24VDC
- Contact output: NO / NC / COM
- Maximum current: 3A / 125-250VAC
- Standard panel: stainless steel panel
- Endurance test: 100,000 times
- Applicable door type: hollow door frame
- Applicable humidity: 0-95%
- Induction distance: 5-15CM (adjustable)
- LED indication: blue (standby), green (trigger)

**Model No: TPG K-PM6D**

**Features:**

- Dimension: 86Lx86Wx32H(mm)
- Output Contact : NO/COM
- Max Use: 500000 tested
- Door Type Applicable : Embedded electric case
- Weight: 0.064kg

**Model No: TPG ZK-SF200/ID**

**Features:**

- LCD: 2.4-inch TFT (220 x 176) Color Screen
- Fingerprint Sensor: ZK Optical Sensor (500DPI)
- Fingerprint Capacity 1,500
- Card Capacity (Optional) 5,000 (EM/Mifare)
- Records Capacity 80,000
- Aux. Input 1ea for linkage function
- Power Supply DC 12V/3A
- Dimension: (W x L x H)91 x 188 x 38 mm

**Model No: TPG ZK-V4L/ID**

**Features:**

- Face Capacity: 800
- Palm Capacity: 800
- Transaction Capacity: 150,000
- Operation System: Linux
- Standard Functions : ID Card, ADMS, T9 Input, DST, Camera, 9-digit User ID, Access Levels, Groups, Holidays, Anti-passback, Record Query, Tamper Switch Alarm, Multiple Verification Methods, 3-in-1 Palm Recognition
- Facial Recognition Speed: ≤1s
- Dimension : 72.9 \* 213.8 \* 28.0 (mm) (W\*H\*D)
- Access Control Interface: 3rd-Party
- Electric Lock, Door Sensor, Exit
- Button, Alarm output, Auxiliary Input

**Model No: TPG ZK-xFace100/ID**

**Features:**

- Fingerprint Capacity: 2000
- Face Capacity: 1500
- Card Capacity: 1500(optional)
- Transaction Capacity: 100000
- Sensor: Optical fingerprint Sensor
- Standard Functions: T9 Input, Access Levels Record Query
- Display: 2.8 inches TFT Screen
- Power Supply: 12V1.5A)

**Model No: TPG F662**

**Features:**

- Face Capacity: 1000
- Finger capacity: 3000
- Card Capacity: 3000
- Record Capacity: 110,000
- Display: 2.8 inch TFT
- Camera: double HD Infrared camera
- Verify mode: face, fingerprint, password, ID card
- Communication: USB/U-disk/TCP/IP
- Voltage/current: DC9V~12V/1A
- No battery
- No Wifi

## ➤ CAMERAS

### Model No: TPG C13S

#### Features:

- 2 million Full HD outdoor waterproof cameras;
- TF card storage (maximum support 256GB), NVR/NAS, cloud storage;
- 1080P CMOS image sensor + 4mm lens, night vision 10~15 meters;
- Support H.264 and H.265 two video compression formats, three stream output;
- Two-way voice, remote monitoring, intercom, warning play;
- 2.4G WiFi + RJ45 two networking methods;
- Built-in network protocols such as ONVIF, P2P, RTSP;
- PCS/BOX: 20

### Model No: TPG C18S

#### Features:

- 2 million full HD outdoor sound and light warning waterproof camera;
- TF card storage (maximum support 128GB), NVR/NAS, cloud storage;
- 1080P CMOS image sensor + 4mm lens, night vision 10~15 meters;
- Support H264 video compression format, three stream output;
- Built-in high-sensitivity microphone, remote pickup;
- 2.4G WiFi + RJ45 + SoftAP three networking methods;
- Built-in network protocols such as ONVIF, P2P, RTSP;
- PCS/BOX: 18

### Model No: TPG C22Q

#### Features:

- 4 million Full HD wireless indoor cloud platform;
- 1440P CMOS image sensor + 4mm lens, night vision 5~10 meters;
- Support H.264 and H.265 two video compression formats, three stream output;
- Support full duplex, two-way voice intercom;
- 2.4GHz WIFI + 5, 8GHz WIFI + RJ45 three networking methods;
- Built-in network protocols such as ONVIF, P2P, RTSP;
- TF card storage (maximum 128GB), NVR/NAS, cloud storage;
- PCS/BOX: 20

### Model No: TPG C61S

#### Features:

- 3 million full HD wireless indoor wall-mounted panoramic camera;
- TF card storage (maximum support 256GB), NVR/NAS, cloud storage;
- 1536P CMOS panoramic image sensor;
- 190 degree super wide-angle panoramic lens;
- Support H264 video compression format, display in multiple ways;
- Two-way voice, remote monitoring, intercom;
- 2.4G WiFi + RJ45 two networking methods;
- Built-in network protocols such as ONVIF, P2P, RTSP;
- PCS/BOX: 20

### Model No: TPG C63S

#### Features:

- 2 million full HD outdoor waterproof panoramic shooting machine;
- TF card storage (maximum support 128GB), NVR/NAS, cloud storage;
- 1080P CMOS image sensor + 190 degree ultra-wide-angle panoramic lens;
- Support H264 video compression format, display in multiple ways;
- 2.4G WiFi + RJ45 two networking methods;
- Built-in ONVIF, P2P, RTSP and other network protocols;
- PCS/BOX: 20

### Model No: TPG CB53

#### Features:

- 1080P FHD High Quality
- Free Cloud storage
- Night Vision function
- Rechargeable Battery
- Advanced Motion Detection
- Built in with PIR and Radar
- 2-Way Audio
- Long standby
- Waterproof
- H.264 Video Format
- 2pcs 18650batteries,5000mAh
- Battery Capacity
- PCS/BOX: 20

# ➤ CAMERAS

## ➤ NVRS

**Model No: TPG CG51**

**Features:**

- Built-in 4G module;
- Built-in PIR human body infrared 'sensor;
- H.264 CMOS 2 million pixels, 3 streams output;
- Maximum support 128GTF card;
- Built-in IR CUT, Clear during the day and night;
- P2P technology, support ONVIF, plug and play;
- 4mm ultra high-definition lens, two 850nm $\Phi$ 28Mil high-power infrared lamps, infrared 15 meters;
- Two LED white lights, full-color night vision;
- DC12V 2A power supply;
- Waterproof grade IP66;
- Support solar panels (optional purchase);
- CE, FCC, RoHs certification;
- Free cloud storage for one month;
- PCS/BOX: 20

**Model No: TPG CS551**

**Features:**

- 3 million high-definition wired connections;
- 1/2.9 inch 1080p progressive scan CMOS sensor
- Double light source night vision 20-30 meters, white light lamp starts and closes regularly;
- Support H.264 and H.265 two video compression formats, three-stream output;
- Two-way voice, remote monitoring, intercom, rainproof and dustproof;
- RJ45 connection mode;
- Built-in network protocols such as ONVIF, P2P, RTSP, etc.;
- TF card storage (maximum 256GB), NVR/NAS, cloud storage;
- Built-in -38dB microphone, 8 $\Omega$ 2W speaker;
- PCS/BOX: 18

**Model No: TPG CS630Q-X30**

**Features:**

- 4 million 18 times zoom outdoor waterproof dome camera;
- 1440P CMOS image sensor + 5.9mm~94.4mm zoom lens, night vision 25 meters;
- Support H.264 and H265 video compression formats;
- Two-way voice, remote monitoring, intercom, and warning playback;
- 2.4G WiFi + RJ45 two connection methods;
- Built-in network protocols such as ONVIF, P2P, RTSP, etc.;
- TF card storage (maximum support 256GB), NVR/NAS, cloud storage;
- POE (optional), TUYA (optional)
- PCS/BOX: 1

**Model No: TPG N8209**

**Features:**

- CNMF SPEC 2.4
- Support HDM
- 100 megabit network port 8-channel network access, 48M access bandwidth upto 2 million cameras
- One SATA hard disk interface, up to simultaneous playback
- Support third-party cloud storage, P2P, and mobile phone message push.
- PCS/BOX: 10

➤ CAMERAS  
➤ NVRS  
➤ SWITCHES

**Model No: TPG N8219**

**Features:**

- CNMF SPEC 2.4
- Support HDM
- 100 megabit network port 16-channel network access, 48M access bandwidth upto 2 million cameras
- 2 SATA hard disk interface, up to simultaneous playback
- Support third-party cloud storage, P2P, and mobile phone message push.
- PCS/BOX: 10

**Model No: TPG HD-B42A**

**Features:**

- One Port≤30W Full Port≤78W DC 52V 1.5A Built-in Power
- UP LINK Port: 2CH RJ45 10/100Mbps
- Distance:≤250M
- UK PLUG weight:0.85kg
- BoxSize:24\*19\*7cm 20 PCS/CTN
- Carton:49\*36.5\*42.2cm 17KG

**Model No: TPG HD-B82A**

**Features:**

- One Port≤30W Full Port≤120W DC 52V 2.3A Built-in Power
- UP LINK Port: 2CH RJ45 10/100Mbps
- Distance:≤250M UK PLUGweight0.85kg
- BoxSize24\*19\*7cm
- 20PCS/CTN
- Carton49\*36.5\*42.2cm 17KG

**Model No: TPG CS69**

**Features:**

- Exclusive private model, 3 million pixels, 2.5 inches, dual light source;
- Red and blue alarm lights,
- Double light source night vision 20 meters, 6pcs infrared lights, 4pcs white lights, 2pcs red and blue alarm lights
- Voice intercom, rainproof and dustproof, IP66 waterproof
- Cloud storage, TF card storage, maximum support 256G
- Humanoid framing, humanoid tracking, humanoid detection and alarm, drawing warning and alarm;
- The white light lamp starts and closes regularly,
- PCS/BOX: 16

**Model No: TPG CS880-POE**

**Features:**

- 3 million high-definition wired connections;
- 1/2.9 inch 1080p progressive scan CMOS sensor
- Dual light source night vision 15-20 meters, 4 white lights, 4 infrared lights, the white light starts and shuts off regularly;
- Support H.264 and H.265 two video compression formats, three-stream output;
- Two-way voice, remote monitoring and intercom;
- RJ45 connection mode;
- Built-in network protocols such as ONVIF, P2P, RTSP, etc.;
- TF card storage (maximum 256GB), NVR/NAS, cloud storage;
- Built-in -38dB microphone, 8Ω2W speaker;
- PCS/BOX: 20
